

DYMAX WORK TOOLS

20" RANCH AXE TREE SHEAR FOR SKID STEER LOADERS

OVERVIEW

The Dymax 20" Skid Steer Tree Shear is the premier tree shear available today for skid steer loaders working in pasture cleanup throughout Texas.

Ideally suited for cutting moisture hogging cedar and juniper trees, the Dymax 20" Ranch Axe is built to last. With a design based upon proven technology and years of experience, these rugged and dependable tools provide thousands of hours of effective pasture reclamation.

FEATURES AND SPECIFICATIONS

- Near ground level cutting.
- Single bevel shear blades are easily replaced when worn.
- Shear blades are comprised of high tensile steel.
- Heavy duty, box weld constructed shearing arms.
- Extremely powerful 6" shearing cylinders.
- Convenient and well protected hose routing.
- Brush guard assembly.
- 3" chrome plated pivot pins and replaceable bearings.
