

NARROW WIDTH NURSERY BUCKET

FOR LOADING FREE FLOWING MATERIALS FOUND IN NURSERIES

-
- **Dymax Narrow Width Buckets** are ideal for handling bulk materials at nurseries.
 - **Narrow Width Buckets** are typically ordered in capacities of .50 and 1.0 cubic yards.
 - **Narrow Width Buckets** are made to fit between the sides of the bed of pickup trucks, thus eliminating spillage over the sides.
 - Eliminate the need to "meter" bulk materials from larger buckets and guess the weight.
 - **Dymax** can design a bucket or other attachment to met your specific material handing needs.
 - Increase the versatility of your machine by adding a **Dymax Quick Coupler**.
-
