

DYMAX WORK TOOLS

HEAVY DUTY ROCK BUCKETS FOR WHEEL LOADERS, TOOLCARRIERS AND TELEHANDLERS

OVERVIEW

Dymax Heavy Duty Rock Buckets for Wheel Loaders are designed and built to provide years of productive use, and are backed by the best service in the industry.

Dymax Heavy Duty Rock Buckets are available as straight edge, spade nose v-edge or spade nose clip v-edge systems. A wide range of teeth, bolt on cutting edges, lip shrouds, edge systems and sidebar shrouds are available.

FEATURES AND SPECIFICATIONS

- A wide range of protective liner plating is available.
- Dymax Heavy Duty Rock Buckets are designed around each machine and application. With capacities ranging from 1.00 cubic yard to 20.00 cubic yards, Dymax can build the rock bucket to meet your specific needs.
- The shorter floor of the Dymax Heavy Duty Rock Bucket enables the machine to more quickly and easily attain full bucket load. Custom buckets available upon request.
