

# DYMAX WORK TOOLS

## PUSH ARMS FOR DOZERS/CRAWLER TRACTORS

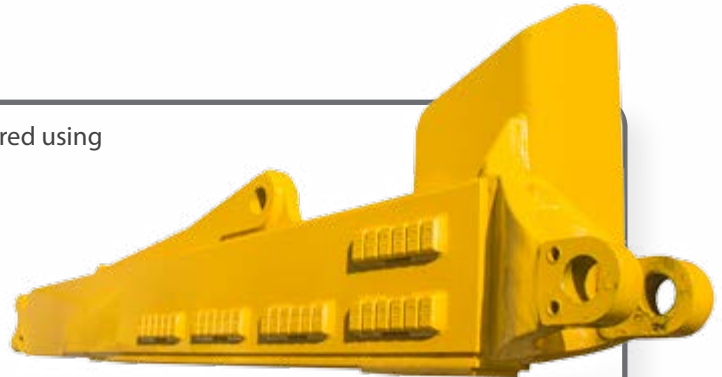

### OVERVIEW

Dymax Push Arms for Caterpillar dozers are manufactured using genuine Caterpillar parts.

All Dymax push arm groups for Caterpillar dozers are reinforced with extra wear plating on the outside push beam for long lasting performance in harsh work environments.

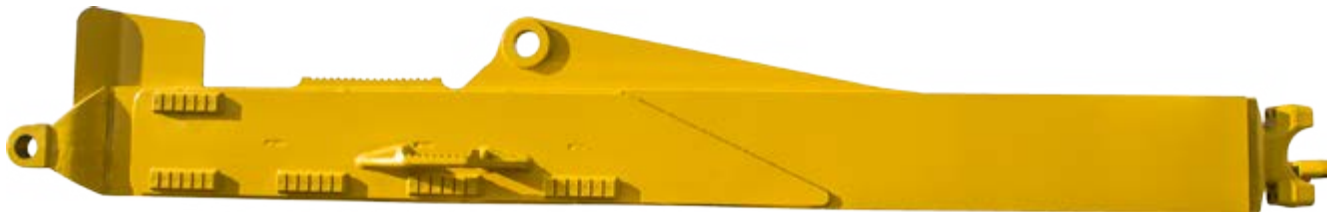

Dymax Push Arms for Caterpillar D9R and D9T, D10R and D10T and D11R and D11T are provided with both right and left push beams and stabilizer link.

Push Arms for the Caterpillar 834G/H wheel dozers are provided with right and left push beams along with pins and retainers to the blade.

### FEATURES AND SPECIFICATIONS

- Exterior side wear plating using Hardox® 400.
- Genuine Caterpillar replacement parts.
