

# DYMAX WORK TOOLS

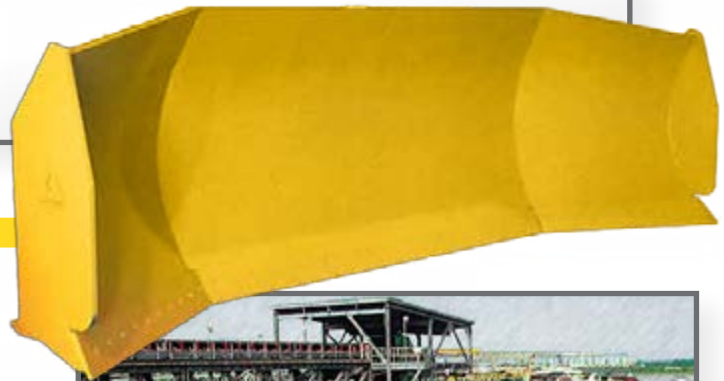

## COAL DOZER BLADE

### OVERVIEW

Dymax Coal Blades are built to maximize production on coal stockpiles around the world. From port facilities to power plants, our coal blades provide excellent rolling action and promote efficiency. Dymax coal blades feature a specially designed moldboard and an increased blade capacity by more than 200 percent compared to standard dozer blades!

The Balderson family pioneered the use of large oversized coal blades in the 1960s, and today Dymax continues to provide customers with job matched, high performance coal blades.

Dymax Coal Dozer Blades are available for Caterpillar, Komatsu, John Deere, and Liebherr Crawler Dozer and Track Type Tractors.

### FEATURES AND SPECIFICATIONS

- 2 year warranty - 5,000 hour warranty.
