

Attachments with Top Clamps

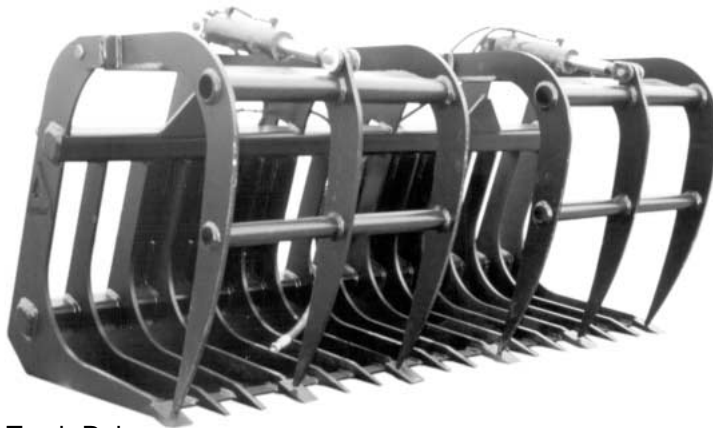

for Wheel Loaders

Grapple Bucket

Logging Fork with Double Top Clamp

Trash Rake

-
- **Dymax** designs and manufactures a number of attachments using top clamps.
 - Providing the benefits of a "thumb" or "fingers," top clamps enable wheel loaders to load material and grasp it, yielding greater productivity and efficiency.
 - **Dymax** attachments utilizing top clamps include rakes, tire handlers, various kinds of forks and a multitude of bucket styles.
 - **Dymax Attachments with Top Clamps** can be custom designed to the user's specifications or job application.
