

## Dymax Multi-Purpose 4in1 Buckets

Front Loader Backhoes

---

**Dymax Multipurpose 4 in 1 Buckets** for Front Loader Backhoes are built to last and are backed by the best service in the industry.

Available as direct mount pin on or with coupler hooks to work with the **Dymax coupler system** and other popular coupler models.

Features heavy duty cylinders which provide superior clamping power.

Units are equipped with **Dymax** standard reversible heat treated bolt on cutting edge installed on the dozer section. Front leading clamshell edge can be setup with replacement bolt on cutting edges or teeth. Other ground engaging tools are available.

**Dymax Multipurpose 4 in 1 buckets** feature an opening indicator which allows the operator to know the general clam positioning.

Capacity range from 1.00 cubic yard to 1.75 cubic yard. Larger capacities and custom designs are available if specified. Contact **Dymax Sales** for more information **1-800-530-5407** or your local equipment dealer.
