

## Cribbing Buckets

Backhoe Loaders and Excavators

---

**Dymax Railroad Cribbing Buckets** are designed to fit most backhoe loaders and excavators up to 70,000lbs in operating weight.

Ideal for railway maintenance the **Dymax Cribbing Bucket** features a long lip design which allows operators to efficiently clean under rails.

**Dymax Cribbing Buckets** are available to fit most quick couplers or can be pinned directly to the stick of the machine. All **Dymax Cribbing Buckets** feature replacement teeth.

Contact **Dymax** sales for more information **1-800-530-5407** or email **DymaxRail@balderson.com**.
