

Light Material Snow Buckets

For Wheel Loaders & Toolcarriers

Move Massive Amounts of Snow

Dymax Light Material Snow Buckets are designed for working in snow and other light materials.

Dymax Light Material Snow Buckets feature flat floor construction and can be equipped with OEM bolt on cutting edges.

Each Bucket is designed around the specific machine and can be setup as a direct mount pin on model or with coupler hooks to work with the **Dymax** coupler or other popular coupler models.

Dymax Snow Buckets MOVE MASSIVE AMOUNTS OF SNOW and save you time and money!

Contact **Dymax Sales 1-800-530-5407** for more information on **Dymax Snow Buckets!**
