

Material Handling Arms

For Wheel Loaders, Toolcarriers and Track Loaders

Dymax Material Handling Arms for wheel loaders and toolcarriers are available in a 2 piece manual extension or 3 piece manual extension model.

Dymax Material Handling Arms can be designed to pin directly to the machine or equipped with coupler hooks to work with the **Dymax coupler system** or other popular coupler models.

Available for most machine makes and models the **Dymax Material Handling Arm** is ideal for placing objects in desired positions.

Dymax Material Handling Arms can be ordered with an optional lifting hook but must be specified.

Contact **Dymax Sales 1-800-530-5407** for more information on **Material Handling Arms**.

Materials and specifications subject to change without notice.
