

# DYMAX WORK TOOLS

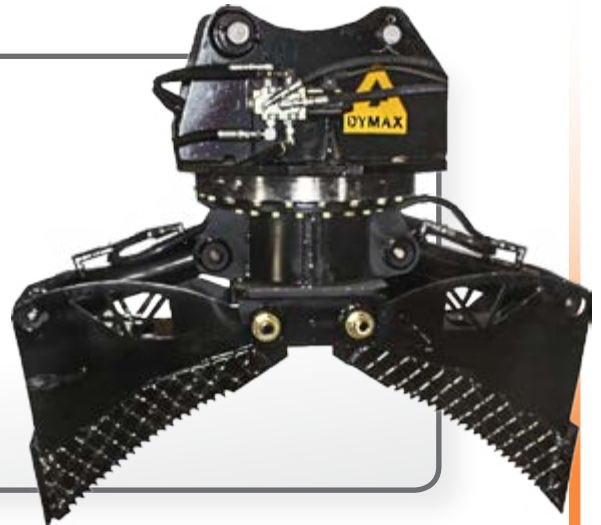

## 360° BALLAST TIE CLAM BUCKETS

### OVERVIEW

Dymax Rail's Ballast Tie Clam Buckets...The name says it all. Easily load ballast, insert or remove ties, and remove mud and old rock between ties. These buckets feature 360° continuous rotation and give operators full control. Narrow width of 11 inches efficiently cleans and loads.

Dymax Rail Tie Clam Buckets are equipped with replaceable bolt-on cutting edges and come with bolt-on replaceable tie claws for bridge applications and removal of wood ties. Serrated side cutters feature Hardox 400 and RokGäard armor. Heavy duty cylinders with built-in stop locations provide long service life and are designed for harsh work environments.

Available for backhoe loaders and up to 8T excavators.
